WHAT DO YOU LIKE MOST ABOUT YOUR JOB?

I like seeing the kids who think they can't achieve success be successful, and see the kids that think that they aren't smart realize that they are. There is nothing like that moment when you see a child sit-up a little taller because they have done something they didn't think was possible.

WHAT IS THE BIGGEST LESSON YOU HAVE LEARNED FROM YOUR STUDENTS?

To be human. To allow the students to see that I make mistakes as well. Mistakes are part of the process of learning.
